The Class of 1999

Saving the Best for Last

Let us be the first to get in the last word. Billerica High has saved the best for last: The last class of the century, the last class of the millenium. Last, but certainly not least. The Class of 1999 salutes those alumni who have paved the way, whose trophies and awards line our hallways, for surely they have left us a strong heritage of school loyalty and high standards to measure ourselves by. But let the record show that in these final days of the year 1999, at the close of the second millenium A.D., we, the Class of 1999, have proved ourselves worthy through our academic accomplishments, our performances on stage and field, our art, our publications, and our acts of service to our community. Let this yearbook put the finishing touch on our last hurrah.

Dancing the Night Away

Sophomore Semi

As nervous, awkward sophomores, we approached the Irish-American Club for our first social event. Excitement was in the air. The Sophomore Semi-Formal started slowly, but as everyone began to relax, the fun really began. Picture taking, dancing, and laughing could be seen and heard everywhere.

We were full of adrenaline and felt as though we could dance forever. Although we wished that the night would never end, midnight rolled around and we were forced to pile in our moms' minivans to go to a party or pick up some Chinese food. The evening seemed to last only five minutes, but the memories will live on forever.

Top Left: Sue Kenny and Bob McNeil dance the night away.

Middle Left: Leah Kennedy, Bridget McDermott, and Kristin Fidler take a break from the wild dance floor.

Bottom Left: Jim O'Brien, Jay Bly, Andy Eicher, and Gary Marchant obviously love to dance.

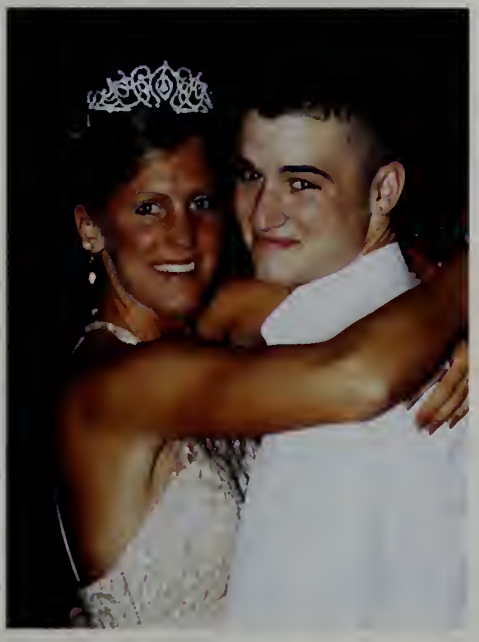
Stand by Me
Junior Prom

Limos arrive in clusters of black: young ladies arrived with upswept hair and gentlemen in tuxedos arrived at the Sheraton-Tara Hotel in Nashua. As the last few limos let out their passengers, the BMHS class of 1999 Junior Prom began.

On May 9th, 1998, the average high school kids were dressed to the nines in gowns and suits, jewels and make-up. We strolled into the ballroom, and as we found our tables, mingled with our friends and looked in awe at our classmates.

After the dinner buffet, the dancing began. Throughou tthe night, the dance floor was packed. Even our appropriately attired chaperones, our teachers, were out on the dance floor.

Our theme was "Stand by Me", and it was wisely chosen. After the prom we all went our separate ways, but at the Prom we all stood together.



Top Right: These guys clean up real nice.

Middle Left: Have they called our table up to the buffet yet?

Middle Right: Jenn DuLong, Beth Santoro, and Meghan Donahue are princesses for the evening.

Bottom Left: Lori Layfaette and Jessica Gagnon are escorted in the Prom.

Bottom Right: The always successful congo line gets the crowd moving.

Top Left: Good friends pose beautifully for a picture.

Thanksgiving Day Game

On Thanksgiving Day the Billerica Indians' three game winning streak against Chelmsford was snapped in a thrilling defeat. Chelmsford place kicker Eric Mounsey hit a 42-yard field goal as time ran out to defeat the Indians. The game was a hard-nosed, in-your-face battle between two teams that desired more than anything to win the traditional turkey day contest. Chelmsford struck first by pounding the ball right at the Billerica defense. After turnovers by each team, Billerica got on the scoreboard with a TD catch by John McBride. At halftime the score was 7-6, in favor of Billerica. The third quarter started with a miraculous kickoff return by Paul Cuoco that covered 68 yards. Chelmsford followed with another brutalizing, knock-you-on-the-seat-of-your-pants drive to tie the game. Both teams then traded touchdowns, both missing the extra points to set the scene for the dramatic finish.

Top Left: Pig Pile!
Top Right: BIllerica dodges the Chelmsford defense.
Left: Captain Kellie Hogan shows off her team spirit.
Below: Coach Flynn gives the team a pep talk.

MIddle Right: Pep personified: Kristen Fidler, Jen Regis, Kerry Burpee, Noelle Bachand, Bridget McDermott, Kristen Tebbetts, and Candice LaMar.

Middle Left: Look! Brian Borges in a skirt!

SENIORS RULE

Top Left: Coach Piwowar takes a break from the powder puff football game to give the girls a pep talk.

Bottom Left: Who's that hot new cheerleader? Oh, it's Mike Leone!

Top Right: Has anyone seen Dave Peet's rickshaw?

Bottom Right: Keep practicing guys. Jay Bly, Tom Geary, and Jeremy Steiner attempt to make a 3-man pyramid.

Seniors

You've Seen the Rest, Now See the Best!

Long, Long ago in a hallway far, far away, we entered our Memorial building homerooms and became, in a flurry of paperwork, freshmen Indians. Mr. McLellan read us the riot act and the rest is history. We were silly sophomores, exhausted juniors, and before we knew it, seniors with one foot out the door, the other firmly planted in our busy senior school lives. We're ready at last to take the next step, to put our best foot forward into a new age.

And, now, could someone point us toward the exit? Last one out turn off the lights! The Class of 1999 has left the building.

God saw you getting tired
And a cure was not to be
So He put His arms around you
And whispered "Come to Me"
A golden heart stopped beating
Hard working hands at rest
God broke our hearts
To prove to us
He only takes the best!

It Doesn't Get Any Better

Last chance to say thanks. When we look back on them, and we know we will, what will we remember about our teachers? Coffee, exams, "Can I use the Lav?" Essays, proofs, "Can I go to my locker?" Off-key singing, careful coaching, "Can I leave early?" Notes from home, passes to guidance, reference letters? Walden Pond? Classroom toys? Saturday meets? Those who bend? Those who cannot be moved? Those who give us answers, Those who give us questions? Whining, winning, wasting time? Thanks for giving us your best shot. Thanks, especially, Ms. Conners and Mr. McLellan. Thanks, teachers and coaches, for believing in us. Thanks to you, we're Y2K ready!

"Success is the sum of small efforts repeated day in and day out"

Dr. Thomas D. Sharkey
Principal

Dear Graduates,

Robert Collier's inspirational message nicely describes you as a Class and your success at BMHS. No doubt, there were the "days in and days out" during your years of study. There were times, I imagine, when you wondered where it was all going and why.

It is my hope, as we celebrate your graduation with you, that you see the purpose of it all and that, most important, you feel the pride of success. You as individuals and you as a Class were wonderful! Right up to the Billerica Blast's ending at 5 AM of the morning after Graduation, you demonstrated a desire to work hard, to pursue your goals, and to care for one another.

In the years ahead, feel confident that you are prepared and capable to pursue any challenge and be successful at what you choose to do. Keep BMHS in your thoughts, and always feel that you are welcome. We love alumni returns for visits!!

Congratulations and best wishes,

Thomas D. Sharkey

Finishing Touches

Fall Sports

Best Foot Forward

Come September the Indians are ready to go. We've been running on beaches, playing volleyball in the sand, diving off the rocks, putt-ing on the Cape, and running out to catch long ones in casual games of touch football played on green summer lawns. But beneath this facade of friendly fun, the Indians have stealthily prepared for autumn contests with Merrimac Valley opponents. It's fall now, and we run, spike, swim, tackle, and swing in earnest. Don't just do it. Do it for Indian pride.

GIRLS SOCCER

Net Victories

With the help of eleven seniors, four juniors, and five sophomores, the BMHS Girls Soccer Team went 16-3-1. It was a close running for MVC champs this season; we lost only one game and tied one, finishing second in the conference. However, we made it to the states winning our first game against Woburn 3-1, and losing a hard fought battle against Framingham 2-1 in sudden death overtime.

The girls defense was very strong, consisting of All Conference players Jenn O'Brien and Colleen Murphy, along with All-Stars Carissa Carsno and Lindsay O'Leary. Also strong on defense were Wendy Christiansen and Kristen King. Captain Lisa Daye was outstanding in the net until an injury kept her from finishing the last half of the season. Sophomore Michelle Richards came up big for Billerica replacing Lisa.

Halfbacks consisted of All Conference player Jenn Regis and All Star Rachel Button, with help from Jolene Casalinova Brenna Newfell. They were backed up by superbacks Amy Wittenhagen and Jody Graham, also an All Star.

Up front for the Lady Indians were All Stars M.J. Sullivan and Kelly Jillett, Cyndi Moreira, Kelly Delich, Stephanie Ly and Cindi Cornaro. Always working hard to help the team were managers Colleen Banfield and Caroline Brennan.

BOYS SOCCER

Charging The Net

We came into the 98-99 season as defending champs. Because we graduated eleven seniors, we were supposed to be the underdogs in the MVC conference. Taking this as an insult, we practiced every day, harder than usual, firing ourselves up for the coming season. We opened our season with a game in Lowell, which we ended up losing. Shocking other teams, we won many of our other games. Last, we lost to Dracut, the MVC Champs. Entering the tournament as the second place team with a record of 12-2-4, we won the first game against Chelmsford in overtime. In the quarter finals, we played a tough game against St. John's Prep. Tied in the first half, St. John's topped us in the second half of the game. Overall, we had a great season, showing everyone who thought we wouldn't do well they were wrong.

GIRLS VOLLEYBALL

Going For A Spike

The Girls Varsity Volleyball team finished the 1998 season with a 10-10 record. The girls qualified for the State Tournament with big wins over Haverhill, Central Catholic, Newton South, Lawrence, and others. After making the states, they won their first round game against Tewksbury, but unfortunately their season came to an end after losing in the second round to Dracut.

The team was led by senior co-captains Robin Hinchey and Bridget McDermott. Hinchey was also part of the MVC All-Conference team, a result of her outstanding setting. McDermott's excellent outside hitting was also recognized when she was named to the MVC All-Star team. Other seniors making strong contributions throughout the season were Andrea Matheson, Liz Fanning, Jenny Baldwin, and Erin Fitzgerald. Also leading the way were juniors Nicole Murphy, Sarah Donaghey, and Tiff Roy. Stepping up and making huge contributions were sophomores Nicole Kwiatkowski and Nicole O'Leary.

Golf: Swings Off Another Great Season

The golf team, had a terrific "98" season. Captains Hank Blake and Sean Trembly led the team to a successful 5th place finish in the M.V.C. Sophomore players Chris Fiers and A.J. Mastrullo were individual state qualifiers at the All-State Finals at Springfield Country Club. The team worked hard together to reach their goal of qualifying for the state tourney and finishing the season with a final record of 7-7-2. They also brought their coach Mike Cowdry to his 100th career victory in his 12th year as the Indians' coach.

FALL CHEERING

Getting In The Mood

A cheerleader is a person who radiates spirit, takes pride in their school, and has respect for themselves and others. The BMHS cheerleading team proudly boasts that every member exemplifies these characteristics.

No one knows what it takes to be a cheerleader more than Captains Michelle Mulcahey, Stephanie Krasowski and Kellie Hogan, and seniors Kristen Rouine, Michele Lynch, Amy Fregeolle, Elise Colon, Christina Capozzi, and Kate Doherty. These girls have put in countless hours of work over the year practicing routines to perfection.

Despite all the obstacles faced by the cheering squad this year, they never let their spirits down. The team put great effort into their sport not only for their own success, but also to motivate the football team. The team feels confident that all their hard work during the '98 season will put them back into competition for 1999.

FOOTBALL

MVC Contenders

The 1998 Indians Football season can not be measured in victories. A better measure of the team is their hard work, determination and refusal to give up. Each game was competitive and did not end until the final whistle blew. The members bonded together as a team and took each game as a challenge to perform as a unit.

As usual, the Merrimack Valley League schedule was tough with several great teams and rivalries. Although there were not a lot of wins this year, the level of excitement made up for it. The Indians represented the town and fought hard in each game. The team was led by Co-Captains Mike Nugent and Jeff Abelli and Seniors Paul Cuoco, Josh Reese, Matt Tonini, Ivan Huerta, Dave Hopkins, Wes Card, Judson Swiminer, and Spencer Breunig.

The Indians are forever grateful to Coach Flynn and his staff for their input, leadership and discipline. The lessons from these coaches will be helpful to the team in all their endeavors.

On the Road Again

The Billerica Marching Band and Silver Jade Colorguard managed to maintain the division III EMBA championship title for the third year in a row. They did it with the support of family and friends who were behind them all the way.

This year the Band performed the music of Alfred Reed, a composition entitled "Three Revelations from the Lotus Sutra," which included, in the arrangement, "The Awakening," "Contemplation" and "Rejoicing." The music was brought to life with the help of the Colorguard.

There were many highlights through the season, one of which was the Windjammer Invitational at the US Coast Guard Academy. Two competitions, one in New York and one in New Jersey, were won on only two, hours of sleep!!

The Band and Colorguard thank the football team and cheerleaders for their encouragement through the season and hope that the Band's presence contributed to their victories by lending school spirit.

Right Billerica's own surrounded by a sea of red!

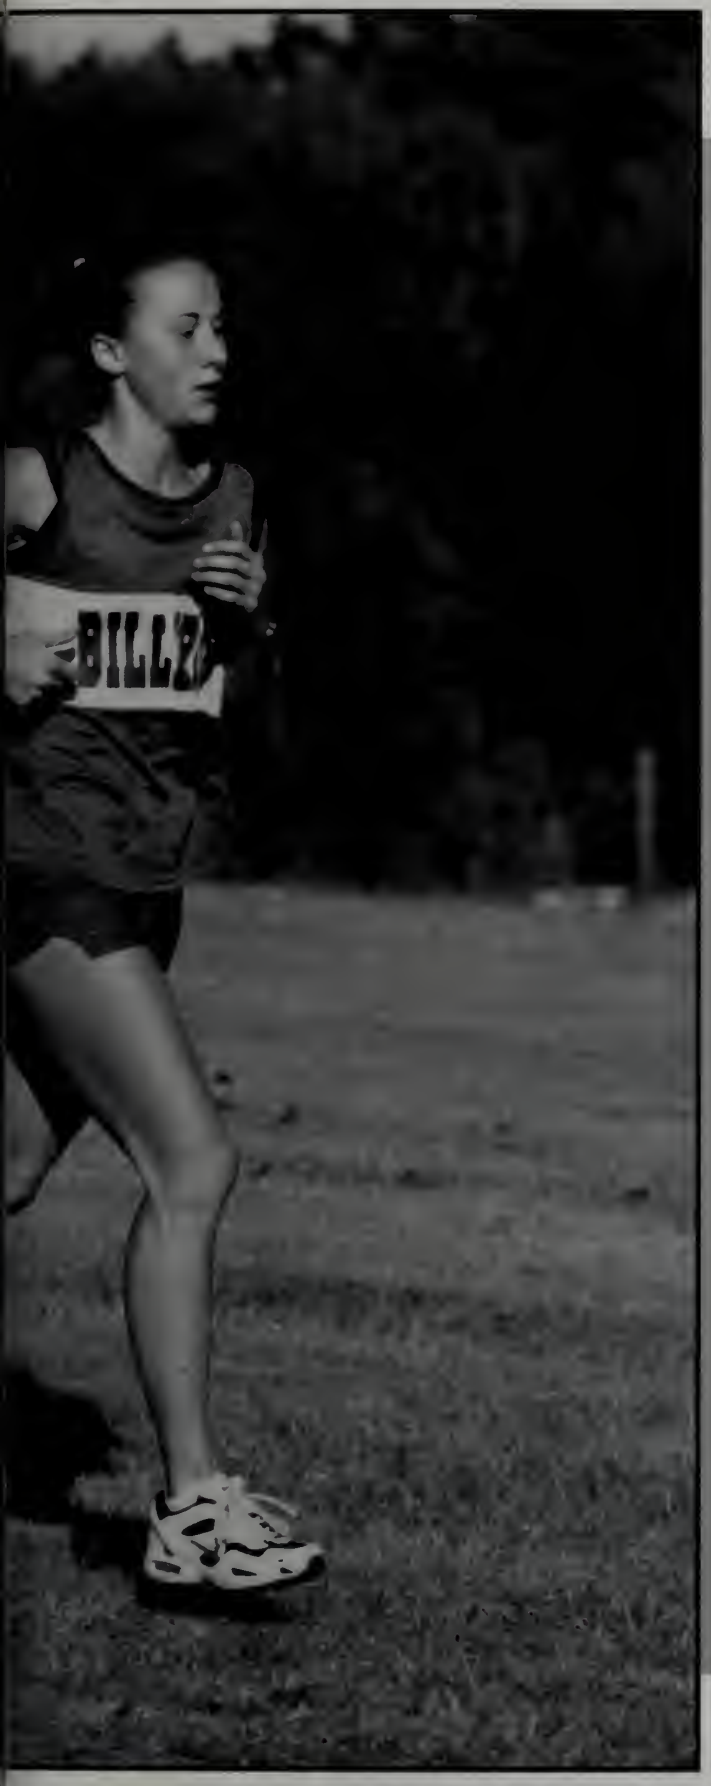
GIRLS CROSS COUNTRY

Going the Extra Mile



Although the season did not turn out as successful as they had planned, the team maintained its high expectations. This was partially due to key runners like Ally Maslowski, Jen Sparacino, Bethany Romano and captains Kristen Tebbets and Candice LaMar who were plagued with injuries. Because of those important losses, many underclassmen had to step up. Juniors Lisa McLay and Danielle Vinciguerra proved to be invaluable, providing key points needed to win some close races. Leading the way were superstar Lisa Geary, and captains Katie Maslowski and Kristen Fidler.

Because of the heavy loss of returners, the newcomers immediately found a space for themselves in the lineup. They included juniors Jessica Wellum and Lauren Sparkes, sophomores Eileen Lorway, Rebecca Pettingell and Kristen Schepici. Freshmen Rachel Meltzer, Allison Locke, Emily Thompson, Jacki Nolan and Sarah Patriquin ran well in JV races and will be a valuable asset to the team in the future.

The girls were successful in the league meet as well. Lisa Geary 7th out of 80 runners and was awarded her second MVC All-Conference Award. Kristen Fidler received her second MVC All-Star Award. The Team ended their season with a record of 4-5. This record, though disappointing, does not reflect the fun and comradery the team had between bus rides and spaghetti suppers.

BOYS CROSS COUNTRY

Going the Distance

The Boys Cross Country Team finished a disappointing 1998 season with a record of 5 wins and 4 losses. Despite the abundance of strong runners for Billerica, the team finished fifth in the MVC behind Methuen, Chelmsford, Lowell and Central Catholic.

Leading the Indians was senior captain Dave Peet. Always following close behind were senior captain Scott O'Brien, seniors Jesse Graham, George Noel, and Awais Ahsan, juniors Colby Goulus, Dave Falvey, and Shaunt Voskanian, and sophomores Mike Fidler and Brian Caroll. Strong showings were also added by seniors Rob French and Don Casey and freshmen Ryan Giough and Devin Hagan.

The team opened the season with a tri-meet on their new home course at Veteran's Park against Chelmsford and Tewksbury. They split the meet with a win over Tewksbury and a loss to Chelmsford. They went on to beat Lawrence and Haverhill but lost a close one to Lowell. The season ended with wins over Dracut and Andover and disappointing losses to Methuen and Central Catholic. However strong performances were had at the League meet. After some tough breaks this season, the team should experience success in the years to come.

GIRLS SWIMMING

Getting Our Kicks

Led by captains Kristin Meurer, Caitlin Erickson, Caryn Baker, and Alicia Guild, the Swimming and Diving team went on to achieve the best record in BMHS history. During the season, many outstanding records were broken, and Nashua and Lowell were beaten for the first time ever. Much of the team's success is due to the contribution of the divers.

Distance swimmers, Caitlin Erickson swimming the 2001M and 500free, and Alicia Guild, swimming the 200 and 500 free, were large assets to the team. Meghan Donahue and Christy Stanley, swimming the 50free, made great improvements throughout the season. Katie Donovan and Caryn Baker did well in the 100fly, as did Kristin Meurer in the 100back.

Many thanks go to Coach Anthony, Coach Robb, Coach Rick, and Antonio the Alligator.

Winter Sports

Give It Your Best Shot

Winter arrives and it's time for Billerica athletes to move indoors. There, for the glory of Billerica High and a high degree of personal satisfaction, Indian men and women will tumble and vault, shoot and score, pin opponents, build human pyramids, and pass battons in stuffy sweaty gyms and icy rinks. So, what if winter athletes go to school in the dark and come home in the dark. It's clear to see: "They got game."

WRESTLING

Weighing In

This wrestling season there were a lot of ups and downs that we had to deal with as a team. We had a new head coach and new assistant coach that lacked in experience but made up for it in intensity. Overall we had a good year. It may not show that way in our record but most of those meets were close and could have gone either way.

It was a rebuilding year for us but we stuck together. No one thought we could do it. We weren't the best wrestlers but we were a team. We were all on a mission to prove that Billerica was still as tough as they had ever been. We had some injuries like any sport and we worked around them. The people that had to step up because of those injuries wrestled just as tough, if not tougher.

We all learned something this year. You don't have to win every meet. You don't even have to win every match. You just have to go out on the mat and give it everything you have, and we did.

GIRLS BASKETBALL

Team Building Pays Off

The 98-99 Girls Varsity Basketball team finished up with a record of 8-12. The team was plagued with injuries throughout the season. Seniors Robin Hinchey, Bridget McDermott, and Kristen Tebbetts were all sidelined due to injuries. The team captains are Meredith Hurley, Kristen Tebbetts, and Jillian Burke. Other seniors who provided strong leadership on and off the court were Tenia Caldwell and Erin Fitzgerald.

Next year the returning players are: Kelly Jillett, Lyndsay O'Leary, Natalie Kent, Lauren Sparkes, MJ Sullivan, and Christina Terrassi, and Michelle Richards. With this strong talent returning the Indians are looking for a very strong season next year.

The boys Varsity Basketball team finished with a record of 4-15. The team was led by senior co-captains Mike Powers and George Noel. Other strong contributors were seniors Sean Nickerson, Awais Ahsan, and Rob French. The team also had a strong core of underclassmen, led by the team's all-star; Chris Doneski. Also playing important roles were juniors Mike Rauseo and Eric Thomas, sophomores John McBride and Mike Fidler, and freshman Brian Meuse.

The 98-99 season was highlighted with strong victories over Tewksbury, Concord, Carlisle, and Lawrence. With the hard work and dedication shown by every member of the team, and a talented JV and freshman teams, the future looks bright!

HOCKEY

Blades of Champions

The 1998-1999 Boys Varsity Hockey team's season was a success. Led by Captain Tim Calabro and assistant captains Jeff Abelli, Sean Tremblay, Scott Gallagher and Chris Dussault, the team fell short of the Super 8 Tournament, but made the Division One tournament.

Also contributing to the road to the Fleet Center in Boston were seniors Dan Cetrone, Jim O'Brien, Ed Butcher, Mike Leone and Tony Caterino. Outstanding junior players were John Gambale, Bill Bridge, Joe Roberts and Ryan Weadick. Sophomores on the team were Paul Dubiel, Ryan Fraine, Dave Giordano and Dan Butcher. Freshman Jarrett Scarpaci also contributed to the success of the team.

Bill Bridge had a great season in net. Bridge came up big in games all season. Although the team didn't make the Super 8, the players still consider it a winning season. Even though ten seniors have graduated, the team still hopes to make next year's Super 8.

GIRLS GYMNASTICS

Vaulting to Victory

The gymnastics team finished up the season with three wins to Tewksbury, Wilmington, and Dracut. With few upperclassmen and a strong underclass, the team has plenty of potential to grow stronger in the coming years. But just because the competing season and weeks of grueling practice are over doesn't mean that these athletes are slacking.

Many of these winter sports competitors keep in shape through the spring by being involved in spring sports, including softball and track. Through the summer, team members often train at various gyms, including Walker's Gymnastics and Dance. Fall sports for gymnastics team members include swimming and diving. These students are truly all-around athletes.

BOYS WINTER TRACK

More Than Statistics

The winter track team experienced a season similar to the previous year. There was some success and much improvement, as a team and as individuals of the team. The Indians ended with two wins and four losses. The losses that were suffered were to power houses in MVC track, such as Haverhill, Lowell, Central Catholic, and Chelmsford. Despite the hard work put into these meets, Billerica was still edged out in points by their opponents when they ran out of events. One of the two wins of this season was against Dracut. The other was a nail-biting victory against Andover which came down to the final relay race of the meet. The victorious 4x400m relay team consisted of senior Scott O'Brien, senior captain Don Casey, senior captain Scot Dedeo, and junior Dave Falvey.

Individually, many of the athletes on the team qualified for the state championship meet, and others established new personal bests by the end of the season. Leading the team this year were captains Don Casey, Rich Sullivan, Matt Tonini, Scot Dedeo, and Jesse Graham. Billerica was also successful with a couple of relay teams. The Sprint Medley team qualified for the McIntyre Elite Relays. The 4x800m also placed at the state relay meet and ran at the McIntyre Elite Relays. This group of runners also established a new record for the 4x800m relay indoors.

GIRLS WINTER TRACK

Pride Is Forever

The girls winter track team had a very competitive season. Though they only had two wins during the season, they were very competitive in the MVC. In every loss, they were only 3 to 8 points away from taking the meet to the final relay event win. Led by senior tri-captains Kristen Fidler, Candice LaMar, and Andrea Matheson, the team worked very hard and tolerated no stagnation.

The team was created with an outstanding group of athletes including MVC All-Conference team members Candice LaMar (mid-distance) and Stephanie Roy (shot put). They were also highlighted by having one of the best shot put teams in the area, as they were State Class A Relay Champions.

With lots of senior leadership and exceptional athletes on the team the girls had a fun, successful season. Coach Murphy was very happy with his team and had this to say, "I was extremely proud of this overachieving team who developed good practice habits and a high spirited senior leadership, that I am confident will carry on into next season." Don't be surprised if it does.

Getting Our Last Licks

Spring is just around the corner and the athletes of spring get ready to vie for the last trophies of the millenium. Can they leave their opponents in the dust? Can they ace the competition? Will they hit a homerun or be safe at first? Can they give it their best shot and cradle a victory by game's end? Can they get in the best digs and kills? In Spring all things are possible, the world wears Billerica's colors, and the Indians renew their dreams of victory and glory

Above and Beyond

Despite the loss of only one senior from the previous year, the girls softball team were hopeful of playing another winning season. With the help of All-Conference Missy Crear at the mound, all-star Nicole Darcey behind the plate, and with the leadership of tri-captains Lisa Daye, Bridget McDermott and Courtney Gougen, the girls accomplished their goal and finished the season with 15 wins and 5 losses.

The team lost a close game at home to North Reading in the first round of the state tournament, but that game didn't reflect at all on the successful season the team had played. Among the others named for the all-star team were shortstop Lisa Daye and outfielder Courtney Gougen. Coach Patty Higgins was named Coach of the Year and was there coaching her players at the all-star game.

The team graduated six seniors: Daye, McDermott, Darcey, Gougen, Jessica Kelley and Meredith Hurley. They will be missed next year by everyone.

Bottom of the Ninth

The 1999 Billerica Indians Baseball Team not only made it to the State Tournament, they made each game a must see for their fans. The team finished the season with a 14-6 record. Many of the wins were the result of maintaining a positive attitude as many of the wins were comeback wins. With seniors Keith Dodge, Paul Cuoco, Sean Nickerson, Dennis McKenna, and Richie Sullivan to lead the team the season was a success. The team had a successful and exciting year making great defensive plays and hitting the ball all over the park. The team had big wins over Central Catholic and Andover. Billerica finished the season in second place in the MVC small school conference only two games behind league winner Tewksbury. Many thought the "boys of summer" would not do much this season but the 99 Indians proved them wrong.

Racing to the Finish

With the leadership of senior captains Amy Wittenhagen, Andrea Matheson, Candice LaMar and Katie Graham the girls spring track team plunged into the season with a win over Dracut. Despite Coach Donnie Fay's pep talks and the no stagnation attitude of the team, they finished the season with one win, five losses and one tie.

The team sent many girls to the state tournament including Candice LaMar, Lisa Geary, Eileen Lorway, Kristen King, Lisa Picardi, Amy Wittenhagen, Jenn Regis, Andrea Matheson, Emily White, Rachel Meltzer, Kristen Green, Laura Zekanovic, and Emily Thompson.

The team suffered the loss of nine seniors whom they will miss greatly next year: Andrea Matheson, Amy Wittenhagen, Candice LaMar, Katie Graham, Stephanie Ly, Lisa Picardi, Colleen Banfield, Jenn Regis, and Kristen Fidler.

BOYS SPRING TRACK

Leave Them In the Dust

Record-wise, the boys varsity track team is not quite where they'd like to be. However, the injuries to a few key performers – including senior captain Dave Peet – and an NBA-esque strike-shortened season (three meets in nine days), have not tremendously burdened them. In fact, the Indians are well ahead of schedule as far as individuals qualifying for the state meet in May.

The senior captains' leadership has been a tremendous asset to the team's spirit and athletic ability. Additionally, the freshman runners have come along very nicely and improved considerably.

The only complaint the team has is that by the time warm weather comes around, the season will be virtually over.

GIRLS LACROSSE

Cradle the Ball

The Billerica Girls Varsity Lacrosse Team went 6-9 for the spring season. They made a valiant effort to make it to the state tournament despite many injuries. The girls did not play one game with all of the team members in fine condition. The team was made up of seven seniors: Carissa Carsno, Christine Gallagher, Michele Lynch, Kate Maslowski, Colleen Murphy, Jacki Ryan, Maureen Spencer; six juniors: Sarah Donaghey, Natalie Kent, Nicole Murphy, Caitlin Powderly, Courtney Sarno, M.J. Sullivan; and three sophomores: Amy Collier, Courtney Duggan, and Brenna Newfell.

The girls Lacrosse team had three players named to the all-star team: Carissa Carsno, Colleen Murphy, and Jacki Ryan. Ryan was also the girls' leading scorer, with thirty-three goals for the season. Kent and Sullivan were not far behind with each scoring twenty-one goals. Despite putting forth their best efforts, the girls had a very trying season.

BOYS LACROSSE

Take The Shot

The Boys Varsity Lacrosse team had a successful season finishing second in the Metro North League. The team was led by senior co-captains Jeff Abelli and Mike Powers. The Indians recorded another winning record of 10-9. Graduating seniors include goalie Steve Batchelor, defenseman Geno Busa, Attacker Dave Terrasi and defenseman Dave Hopkins. The team made it into the state tournament once again defeating Sandwich in the first, but losing a close game in the second round to Newton North. However, the team enjoyed a successful season and had a good time. It was a remarkable season for the '99 graduates.

GIRLS TENNIS

Game, Set, Match

The past year for the Girls Tennis Team was interesting and challenging. With the loss of their number one position to graduation, they had to fight harder to retain their status and improve the team. Luckily, the whole team worked together to pull off a few wins and enjoy the game.

Captains Mary Ly and Katie Donovan helped everyone hone their abilities and neutralize their weaknesses. With matches like Tewksbury, team members were able to defend their ground and triumph. Number one, two and three players – Colleen Donovan, Susan Ly, and Alexandra Papas – played singles positions. Mary Ly and Katie Donovan were partners for first doubles. The remaining positions were changed with different members. Overall, everyone worked hard, and even though there were ups and downs during the season, a great attitude and a strong determination persisted in all the members of the team. It shows promise for the many future seasons to come.

BOYS TENNIS

Match Point

Coached by Tom Severo and led by senior captain Phil Whitman, the 1999 Billerica Boys Tennis team had a remarkable year. With a 10-6 record, one of the best records in ten years, the tennis team clinched a playoff berth. It beat Somerville in the first round for the first playoff victory in over a decade. The reason for all the success was the great group of guys that formed the boys tennis team.

Junior Wes Zichittella played first singles. Sophomore Dennis Levesque was second singles, and junior Shaunt Voskanian played in the third singles slot. At first doubles were senior Phil Whitman and junior Jon Pomerleau. Playing second doubles were juniors Bill Doherty, Greg Yavanian, Nick Barrett, Mike Yarvitz, and Kevin Thomson. The two freshmen were Adam LaFerriere and Brendan McGrath. To top off a great year, coach Tom Severo won the MVC coach of the year award.

BOYS VOLLEYBALL

Spike the Ball

The Boys Volleyball team, headed by Coaches Maureen Hovnanian and Mary Robb, had a tough year, but it was also a rebuilding year. They fought hard each game, but ended the season 1-19. Corey Button, the lone senior, had an amazing first year. He picked up the game so quickly, it will be tough to replace his spot in the line up. The team also included many juniors who had a great season. Captains George Durante and Greg Barker, along with Chuck DiCecca, Greg Cusato, Drew Magnuson, Norton De-Oliveira, Matt Gerrish, and sophomores Bobby Jones and Andy Jones should have a good season next year. Some rising stars to watch for would be freshmen Ryan Magnuson and Grant Fitch.

Clubs and Organizations

All for the Best

Any high school experience is in complete without the finishing touches that add delight, depth, and dimension to our lives. Many of us at B.M.H.S. found outlets for our passions and interests in the clubs and organizations that seem to grow in number each school year. Want to see a film, read a book, write a story? There are like-minded people with whom to share and communicate. Want to work for the improvement of mankind in a simple, immediate way? Opportunities abound in community and school service projects. Acting, singing, dancing, even surfing (the net): it's all here for the joining. Clubs and organizations put the "Community" of our school philosophy into action.

B.M.H.S. Theatre Company Serves Up "The Dining Room"

December found the drama company once more delighting audiences, this time with a production of A. R. Gurney's play "The Dining Room." This touching play has only one set, a dining room, where various family groups come to sample the banquet of life's complexities. The production under Mr. Gage's direction was a preliminary winner in the Massachusetts High School Drama Festival where individual awards went to Junior Jason Fitzgerald and lighting crew members Jacki Merriell, Nick Aalerud and Scott Rogers. Underclassmen not featured in pictures include Chris Speziale, Steve DeMonico, Dave Kovacs, Jason Fitzgerald, and Lauren Pandolfe.

The Last Hurrah

The Class of 1999: Billerica has saved its best for this last class of the century. We could not have been the best without the help of so many of Billerica's citizens who have worked through the century with diligence and devotion to give us a reputation for educational excellence in the Merrimack Valley and beyond. And now it's time to celebrate like it's 1999, because it is!!

The last weeks of high school go by in a blur. Honors (and scholarship money!!) were happily distributed to the seniors on one of the hottest nights ever. The Musical and Senior Recital gave talented graduates-to-be a last chance to strut their stuff in the newly equipped auditorium. The prom was a sweet, but raucous evening for everyone. Sign-out breakfast gave us one last chance to clear our trays in the café and look back on lunches shared since elementary school. Class day gave us one more day together in an awfully nice playground called Cedardale. And then we were walking down that path toward the Marshall with funny hats on, wondering how a year could go by so fast. Reluctant to leave, we had one more BLAST and then it was over. Y2K, here we come!

Once Upon a Magical Time: "Once Upon a Mattress"

The annual B.M.H.S. musical this year was "Once Upon a Mattress," the Mary Rodgers production which brought Carol Burnett to America's attention.. The show presented in April was the result of four months of hard work by cast, crew, and Friends of Music helpers.Under the direction of Mrs. Robertson and with the help of Mr. Gage, the musical filled the newly renovated auditorium with beautiful music and hearty laughter. "Once upon a Mattress " is a revised fairy tale, the story of the princess and the pea set to music with a lot of slap stick, corny jokes, and topical humor thrown into the mix. Princess Winifred, the "shy" newcomer was played by Jennifer Baldwin, Prince Dauntless by Kevin Salemi, Sir Harry by Jon Crimins, Lady Larken by Kellie-Ann Hogan, Queen Aggravain by Juilie Davy, King Sextimus by Jason Fitzgerald, the Minstrel by Keith Lyons, the Jester by Brandon Morris, and the Wizard by Chris Speziale. Such wonderful performers keep the music playing at Billerica High. Lighting and incredible sets created a castle and its village on stage. A large cast, including many seniors, provided fabulous singing and limber dance numbers. An energetic and disciplined stage crew kept everything in order, and a sense of professionalism infused the production. The musical tends to take over the lives of those involved, but who could say it wasn't worth their effort. They made magic.

Save The Last Dance for Me

After many months of anticipation and preparation, the big night finally came- June 4th, the Senior Prom. The entire senior class was released from school at 11am. While many girls rushed off to hair or nail appointments, most guys went home to sleep or just hang out before partying all night. Around 5 o'clock limousines could be seen all around town as members of the class of 99 met with friends and dates before heading off to the dance. As the time approached six, guests began arriving at the Hyatt Regency in Cambridge. This hotel with its breathtaking view of the city's skyline was the perfect setting for the evening. The prom started off slow as classmates greeted each other and couples had their pictures taken in the courtyard. It was not until after dinner that the party really started. The dance floor quickly became packed as everyone loosened up and began to enjoy themselves. The night went by fast. As the end neared it was time to choose annual prom court. Jamie Clancy and her date were selected as king and queen while they danced to the prom theme "I Will Remember You." The Prom was a memorable evening for everyone who attended. Although it went by so quickly, it was worth all of the effort that was put into making it special. The Prom was one of the last and one of the best times that the Class of 99 spent together.

Class Day
Walkin' on Sunshine

The heat was sizzling at Cedardale in Groveland, MA. and so were the stomachs of the people who joined in on the fun of the belly flop contest. From cooling off with a refreshing dip in the pool and relaxing in the jacuzzi, to playing a grueling game of basketball with Mr. P. and Mr. McDermott, there were plenty of exciting things to do at class day. Whether you were playing mini-golf, volleyball with friends, horseshoes, or a friendly game of tennis with Mr. Colangelo you were bound to work up an appetite. Not only did Cedardale provide us with food, but also with a great place to spend our last day together before graduation as the class of '99'.

Graduation 1999

As freshmen, the class of 1999 sometimes thought that graduation would never come. However, as we approached the Marshall school field on June 10th, many felt that it came all too fast. As the long procession of students clad in their green and white gowns met the crowd of proud family members, friends, and teachers, the graduates held their heads up high Through the speeches of faculty members, class president Kellie Hogan, salutatorian Dave January, and valedictorian Jenn Regis, the class experienced many different emotions. Amidst the overall happy and excited tone there were the tears of those who were reluctant to leave the good times and comfort they experienced at B.M.H.S. When the time came to award diplomas, the Class of '99 shared a sense of accomplishment, realizing that this was the reason for all of the hard work. After the ceremony came to a close, some graduates hurried off to celebrate. The majority, however, lingered in the field to congratulate and thank some special people who influenced them during the years.

Congratulations, *Class of "99!!! You did it*

Your teachers, your parents, your own experiences, all have given you the tools you need to succeed in this world, and whether you know it or not, you have the ability to make a difference. Don't ever doubt your potential. And when things get a little tough, remember that we are all facing this together....

Valedictorian
Jen Regis

Each of us has now a new and unique view of the world, and we are obligated to make use of this new insight to help better the world around us. This view is our greatest contribution to the mass of humanity, for with it we may aid in the search for truth.... We must never become idle or complacent in our search; we must constantly penetrate deeper and see if there is more to discover.

The Billerica Blast

Launched in this last year of the century, the Billerica Blast held on June 10th from 11:00 p.m. to 5:00 a.m. was a great success. The all night festival, attended by over two hundred seniors was, in the eyes of participants, supporters, organizers, and parents, the beginning of a new tradition at B.M.H.S.

For a mere five bucks entrance fee, the graduates were lavished with gifts, food, and entertainment possibilities. Besides receiving goodie bags with trinkets donated by local merchants, graduates could win great stuff like computers, t.v. sets, dorm-size refrigerators, and stereos, as well as gift certificates for goods and services like movies and oil changes.

For the occasion the gyms were set up with several entertainment venues: dancing, karaoke, sumo wrestling, trivia contests, jewelry making and face painting, jousting, and movies were all available. Graduates shed their usual cool and plunged into such activities with childlike zest and abandon.

But the highlight for many was the recreation of an incredible food court of culinary delights. Pizza, snacks, drinks and chips, sundaes, and Chinese food were followed in the wee hours of the morning by guess what? More food!! After breakfast, the grads said their goodbyes and went off into the dawn with more good memories to share.
